

The Ultimate Gift

**Do you have a friend or a loved one
who would like to
quit smoking?
lose those extra pounds?
Here's how you can help.....**

Give them the ultimate gift by purchasing an Auricular Therapy Gift Certificate

**We simply apply a very light stimulation to precise points on the
external ear, it uses the same principles as acupuncture but without needles or pain.**

To show how much you CARE

The cost of the initial treatment is \$100. Subsequent treatments, if needed, are \$60.
